ALLUMINIO ONDA  
ALUMINIUM WAVE

# ELEMENTI COMUNI COMMON ELEMENTS

I telai in alluminio sono proposti nelle finiture alluminio e nero con pannello in vetro temperato acidato, in bianco coprente e nebbia. Le ante Alluminio-onda sono realizzate in doghe di alluminio.

The frames are offered in aluminium and black with tempered glass panels made in satinated, concealing white and fog finishes. The Aluminium-wave doors are made of aluminium staves.
